Chapter 1 by Grace1517

Ooh ooh ooh

Ooh ooh ooh

Can you feel me
When I think about you?
With every breath I take
Every minute
No matter what I do

My world is an empty place
Like I've been wandering the desert
For a thousand days (oh)
Don't know if it's a mirage
But I always see your face, baby

I'm missing you so much

Can't help it, I'm in love

A day without you is like a year without rain

I need you by my side

Don't know how I'll survive

A day without you is like a year without rain (oh, whoa)

Whoa, oh, whoa

The stars are burning

I hear your voice in my mind (voice in my mind)

Can't you hear me calling?

My heart is yearning

Like the ocean that's running dry

Catch me, I'm falling

It's like the ground is crumbling underneath my feet

Won't you save me?

There's gonna be a monsoon when you get back to me, oh, baby

So let this drought come to an end

And make this desert flower again

I'm so glad you found me

Stick around me,

Baby baby baby oooh

It's a world of wonder with you in my life

So hurry, baby, don't waste no more time

I need you here, I can't explain

But a day without you is like a year without rain (oh, whoa)

Ooh ooh ooh

Ooh ooh ooh

Chapter 2 by Will Coloff

We're no strangers to love

You know the rules and so do I

A full commitment's what I'm thinking of

You wouldn't get this from me

I just wanna tell you how I'm feeling

Gotta make you understand

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

We've known each other for so long
Your heart's been aching but
You're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it
And if you ask me how I'm feeling
Don't tell me you're too blind to see

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

Never gonna give, never gonna give

(Give you up)

(Ooh)

Never gonna give, never gonna give

(Give you up)

Well, I had me a boy, turned him into a man

I showed him all the things

Whoa, and then I let him go

Now, there's one in California who's been cursing my name
'Cause I found me a better lover in the UK
Hey, hey, until I made my getaway

One, two, three, they gonna run back to me
'Cause I'm the best baby that they never gotta keep
One, two, three, they gonna run back to me
They always wanna come, but they never wanna leave

Ex's and the oh, oh, oh's they haunt me
Like gh-o-o-osts they want me to make 'em all
They won't let go
Ex's and oh's

I had a summer lover down in New Orleans
Kept him warm in the winter, left him frozen in the spring
My, my, how the seasons go by

I get high, and I love to get low
So the hearts keep breaking, and the heads just roll
You know that's how the story goes

One, two, three, they gonna run back to me
'Cause I'm the best baby that they never gotta keep
One, two, three, they gonna run back to me
They always wanna come, but they never wanna leave

Ex's and the oh, oh, oh's they haunt me

Stand by you
by Rachel Platten

(even if we can't find heaven, heaven, heaven, heaven, heaven, heaven)

Hands, put your empty hands in mine
And scars, show me all the scars you hide
And hey, if your wings are broken
Please take mine so yours can open, too
'Cause I'm gonna stand by you

Oh, tears make kaleidoscopes in your eyes
And hurt, I know you're hurting, but so am I
And, love, if your wings are broken
Borrow mine 'til yours can open, too

'Cause I'm gonna stand by you

Love, you're not alone, 'cause I'm gonna stand by you

Even if we can't find heaven, I'm gonna stand by you

Even if we can't find heaven, I'll walk through Hell with you
Love, you're not alone, 'cause I'm gonna stand by you

Yeah, you're all I never knew I needed
And the heart—sometimes it's unclear why it's beating
And, love, if your wings are broken
We can brave through those emotions, too
'Cause I'm gonna stand by you

Oh, truth—I guess truth is what you believe in
And faith—I think faith is having a reason
And I know now, love, if your wings are broken
Borrow mine 'til yours can open, too
'Cause I'm gonna stand by you

Even if we're breaking down, we can find a way to break through
Even if we can't find heaven, I'll walk through Hell with you
Love, you're not alone, 'cause I'm gonna stand by you
Even if we can't find heaven, I'm gonna stand by you
Even if we can't find heaven, I'll walk through Hell with you
Love, you're not alone, 'cause I'm gonna stand by you

I'll be your eyes 'til yours can shine
And I'll be your arms, I'll be your steady satellite
And when you can't rise, well, I'll crawl with you on hands and knees
'Cause I... I'm gonna stand by you

Even if we're breaking down, we can find a way to break through (come on)
Even if we can't find heaven, I'll walk through Hell with you

I think it's so cute and I think it's so sweet
How you let your friends encourage you to try and talk to me
But let me stop you there, oh, before you speak

"7 Years" (Lukas Graham)

Once I was seven years old, my mama told me,
"Go make yourself some friends or you'll be lonely."
Once I was seven years old

It was a big big world, but we thought we were bigger
Pushing each other to the limits, we were learning quicker
By eleven smoking herb and drinking burning liquor
Never rich so we were out to make that steady figure

Once I was eleven years old. My daddy told me,
"Go get yourself a wife or you'll be lonely."
Once I was eleven years old

I always had that dream like my d See more of Story Wars

My story got told

Before the morning sun, when life was lonely

Once I was twenty years old

I only see my goals, I don't believe in failure

'Cause I know the smallest voices. They can make it major

I got my boys with me at least those in favor

And if we don't meet before I leave, I hope I'll see you later

Soon we'll be thirty years old,

Our songs have been sold

We've traveled around the world and we're still roaming

Soon we'll be thirty years old

I'm still learning about life

My woman brought children for me

So I can sing them all my songs

And I can tell them stories

Most of my boys are with me

Some are still out seeking glory

And some I had to leave behind

My brother, he still sorry

Love Myself
by Hailee Steinfeld

When I get chills at night
I feel it deep inside without you, yeah
Know how to satisfy
Keeping that tempo right without you, yeah

Pictures in my mind on replay
I'm gonna touch the pain away
I know how to scream my own name
Scream my name

(I love me)
Gonna love myself, no, I don't need anybody else

(Hey)

Gonna love myself, no, I don't need anybody else

(I love me)

Can't help myself, no, I don't need anybody else

Anytime, day or night

I'll take it nice and slow
Feeling good on my own without you, yeah
Got me speaking in tongues
The beautiful, it comes without you, yeah

I'm gonna put my body first
And love me so hard 'til it hurts
I know how to scream out the words

Taken away to the dark side
I wanna be your left hand man
I love you when you're singing that song and
I got a lump in my throat 'cause
You're gonna sing the words wrong

There's this movie that I think you'll like
This guy decides to quit his job and heads to New York City
This cowboy's running from himself
And she's been living on the highest shelf

If you're gonna, if you're gonna stay
